

FEES REFUND INSURANCE SCHEME

INFORMATION AND KEY FACTS

SFS Group Ltd has over 25 years of experience in working with independent schools and parents with children at these schools. We have developed this simple insurance scheme in order to protect parents in the event that an insured pupil misses school as a result of sickness or accident.

MAIN FEATURES OF THE INSURANCE SCHEME

Membership of this insurance scheme allows Fee Payers to make a claim if a pupil is absent from school for a minimum qualifying period through illness or accident.

HOW THE INSURANCE SCHEME OPERATES

Cover commences from the first day of the term for which the premium has been paid. In subsequent terms, and provided that the premium is paid each term, cover will continue until the scheme renewal date of 1st September. A parent may withdraw from the scheme before the beginning of any term, provided the SFS Group Ltd has been given 14 days' notice in writing.

WHAT IS COVERED UNDER THE SCHEME

- The policyholder can choose to cover absence from school due to illness or accident of the insured pupil for a continuous period of at least 5 or 8 school days. Saturdays may be included in the claim if the school is open on these days and the pupil usually participates in school activities.
- Absence from school due to the closure of the school through an outbreak of an infectious disease amongst the pupils. There is no benefit payable for the first 8 days of absence in these circumstances.

HOW TO MAKE A CLAIM

Download a claim form from the SFS website and complete and return it to SFS Group Ltd. If the absence exceeds 14 days the appropriate section must be completed by the pupil's doctor. Claims must be made no later than 30 days after the end of each term.

The maximum claim under this scheme for any pupil is limited to 280 days for any illness or series of related illnesses and applies for the whole time the pupil is at the school.

HOW CLAIMS ARE CALCULATED

Claims are based on the length of absence during term time only. The amount payable for each day of absence (or absence from classes if a boarder where still housed at school) is calculated by dividing the actual number of days in the term into the termly fee.

PREMIUMS

The table below shows the premium payable each term. Premiums are inclusive of Insurance Premium Tax.
