INSURANCE FOR PARENTS WITH CHILDREN AT INDEPENDENT SCHOOLS

School Fees Charitable Trust

- The School Fees Charitable Trust assists parents who, having selected private education for their child with reasonable expectations of being able to meet the costs from their own resources, are unable to pay the fees as a result of genuine hardship, arising from a sudden and unforeseen change of circumstance.
- The School Fees Charitable Trust is funded by the SFS School Fees Insurance scheme, which insures a child's school fees against the death or severe illness of a fee paying parent.
- Grants are made to cover the final exam year and the maximum award granted is 25% of net fees.
- For details of the full qualifying criteria and how to apply please visit www.sfs-group.co.uk
