Dear Parents,

**Re: Cool Milk Registration Information**

It has been brought to our attention that children under the age of 5 years are entitled to receive milk funded by the UK Government's Nursery Milk Scheme. When your child turns 5, milk continues to be available at a subsidised cost of 22p per day. Drinking a portion of milk at mid-morning break offers protein, calcium and other vital nutrients, important for children's growth and development. It can also be a sensible way to bridge the gap between breakfast and lunch. Our milk provider is Cool Milk, a Government approved organisation.

Should you wish your son to participate please visit [www.coolmilk.com](http://www.coolmilk.com) to register. After registration, you may then make a pre-payment via your online account for the term or the rest of the academic year. You can also simply choose your own specified amount, should you wish to do so. Your child will then be registered and a pre-payment invoice will then be sent by Cool Milk via post or email so that payment can be made directly to it.

All information handled by Cool Milk is processed in accordance with current Data Protection Legislation. The data will be stored securely on Cool Milk's UK-based servers and will not be passed to third parties other than to UK Government departments for audit purposes.

Should you have any queries regarding your child's registration or milk supply in general, please do not hesitate to contact Cool Milk directly on 0844 854 2913 or via email to [customerservices@coolmilk.com](mailto:customerservices@coolmilk.com).

Yours sincerely,

Simon Gower
