

# HELPING YOUR CHILD GET "SCHOOL-READY"

## 4 IMPORTANT STEPS

No matter your child's age or stage, **supporting them effectively through any transition is incredibly important.** Change is exciting, but it might also be a little bit scary. Happily, there are some simple steps that parents and carers can take, to help your child 'hit the ground running' from day one at our school.

### IT TAKES A VILLAGE TO RAISE A CHILD

Our school is a 'Tooled Up Education' school.

This means, in addition to all that we do at school to help pupils, we also care about supporting parents and families. As your family will be joining our community soon, we'd like to give you early access to the world of 'Tooled Up', a digital hub of evidence-based resources covering: **mental health, digital life, aspiration, learning, family life and relationships.**

### PARENT BENEFITS

You will be able to keep up to date with the latest research relevant to parents, attend live webinars with a range of experts and make requests for information about things that matter to you. You can access 'Tooled Up' 24/7, 365 days of the year.

### STEP 1

Register your free account with 'Tooled Up' using our school PIN.

1. Go to [tooledupeducation.com/register/](https://tooledupeducation.com/register/)
2. Enter your details on the registration form and use this School PIN
3. Please do not share the PIN or the resources with anyone beyond our school community.
