

KING'S HOUSE SCHOOL

RICHMOND

Welcome to King's House School

Thank you for your interest in King's House School. I am very proud of our staff here at KHS, and we are a friendly and caring school with a strong sense of community, where pupils can thrive and flourish. The pastoral aspect of school life is at the heart of everything we do, and we pride ourselves on providing an inclusive environment that is both nurturing and challenging. I am proud of the supportive and collaborative culture at King's House, which helps staff and pupils to be the best they can be.

It is a joy to watch our pupils grow into confident young people, ambassadors for King's House when they leave us at 13+ to go onto a wide range of day and boarding Senior Schools. We value a broad and balanced academic education, enabling our pupils to develop their academic, social, sporting, emotional and artistic attributes.

We are committed to recruiting excellent staff across our teaching and non-teaching departments and King's House School Enterprises, with the opportunity to develop careers. You will be joining the school at an exciting time, when we are constantly investing in our facilities to ensure an inspiring education for students in many years to come. We are also delighted to be welcoming girls into Reception from September 2024 as we move to full co-education, and we enter this new phase in our history. I hope this website provides you with a flavour of what life is like at King's House School, with a staff who develop enthusiastic young people, who can be relied upon to make a positive contribution in all areas of school life.

Mark Turner
Head

A group of young children, likely in a classroom or play area, are sitting on a green mat. They are wearing blue and white checkered shirts. In the foreground, a young girl with reddish-brown hair is smiling and holding two green sticks. Other children are visible in the background, some clapping and some looking towards the camera. The overall atmosphere is bright and positive.

“Preparing the pupils for life beyond King’s House is integral: problem solving, working with everyone, collaborating, thinking critically, knowing what to do when you don’t know what to do.”

STAFF MEMBER

The School

King's House School was founded in Richmond in 1946 and has been a boys' prep school since then; we will welcome girls into the school for the first time in September 2024. The school operates on three sites in or around King's Road, which is on the very pleasant setting of Richmond Hill. The Senior Department (for pupils from Year 4 to Year 8) is at 68 King's Road, the Junior Department on its own site just down the hill, and the Nursery around the corner on Princes Road. The school also has a 35-acre sports ground just over Chiswick Bridge, where there are numerous pitches, athletics facilities, cricket nets, tennis courts, a 3G pitch and all-weather pitch.

All children in the Nursery are guaranteed a place in Reception, and there are also small intakes at Years 3, 4 and 7. Pupils generally stay until 13 when they move on to a wide range of single-sex, co-ed, day and boarding schools, with a number each year gaining scholarships.

The Nursery operates from its own site in a carefully restored building on Princes Road. The youngest children, in Caterpillar Class (rising 3s), are based on the top floor and Butterflies (the rising 4s) on the ground floor. There is a very positive, caring atmosphere to the Nursery and the ground floor has an additional room used for music and small group activities. The Nursery has its own dedicated staff supplemented with specialists from the school PE, Music and IT departments.

The Junior Department (JD) is housed in two Victorian buildings which have been sensitively redesigned and linked to provide an exciting and stimulating environment for the pupils. There is a two-form entry to Reception with about forty children in the year group. This number grows to about 48 in Year 3 with three forms. The class teachers deliver the vast majority of the curriculum, but pupils do have lessons with specialist teachers for Music, French and PE and Games and in some years, Computing. All children take swimming lessons at a local pool and Years 2 and 3 use the Senior Department (SD) facilities for some subjects.

The School

Pupils move to the Senior Department site for Year 4. This is the original school site and has been developed substantially since then. It is a deceptively large area which includes the school's theatre, gym, Astro turf pitch, two computer rooms, two science laboratories, new design technology room and music area. There are three forms in each year group. Forms are mixed-ability in Years 4 - 6 with some subjects setted, and streamed in Years 7 and 8. Pupils experience increasing exposure to subject specialist teachers, who will teach a range of year groups and sometimes more than one subject. The curriculum the pupils follow prepares them for Common Entrance at the end of Year 8.

Throughout their time at King's House, the pupils are encouraged to take part in art, drama, music and sporting activities. There are productions every year for all year groups, concerts and many more performance opportunities for music, as well as numerous games fixtures and sporting activities. There are also numerous outings for all years to enrich the curriculum, and year groups from Year 3 go on residential trips in the summer term.

King's House offers its pupils a broad and balanced curriculum and prepares them well for their transition on to their next school. We cherish each pupil as an individual and provide them with the skills and mental resilience to succeed in whatever path they choose to take. Small class size means that we can get to know each child and identify their unique strengths, interests and passions.
