

KING'S HOUSE SCHOOL
RICHMOND

Science Teacher

Welcome from the Head

Thank you for your interest in King's House School. I am very proud of our staff here at KHS, and we are a friendly and caring school with a strong sense of community, where pupils can thrive and flourish. The pastoral aspect of school life is at the heart of everything we do, and we pride ourselves on providing an inclusive environment that is both nurturing and challenging. I am proud of the supportive and collaborative culture at King's House, which helps staff and pupils to be the best they can be.

It is a joy to watch our pupils grow into confident young people, ambassadors for King's House when they leave us at 13+ to go onto a wide range of day and boarding Senior Schools. We value a broad and balanced academic education, enabling our pupils to develop their academic, social, sporting, emotional and artistic attributes.

We are committed to recruiting excellent staff across our teaching and non-teaching departments and King's House School Enterprises, with the opportunity to develop careers. You will be joining the school at an exciting time, when we are investing in our facilities to ensure an inspiring education for students for many years to come. In September 2024, the school moved to coeducation with girls currently in over half of our year groups.

I hope this provides you with a flavour of what life is like at King's House School, with a staff team who develop enthusiastic young people who can be relied upon to make a positive contribution in all areas of school life.

Mark Turner
Head

King's House School

King's House School was founded in Richmond in 1946 and has been a boys' prep school since then until September 2024, when girls joined for the first time as we move to co-education. The school operates on three sites in or around Kings Road, which is on the very pleasant setting of Richmond Hill. The Senior Department (for pupils from Year 4 to Year 8) is at 68 Kings Road, the Junior Department on its own site just down the hill, and the Nursery around the corner on Princes Road. The school also has a 35-acre sports ground just over Barnes Bridge, where there are numerous pitches, athletics facilities, cricket nets, tennis courts, two 3G pitches and all-weather pitch.

All children in the Nursery are guaranteed a place in Reception, and there are also small intakes at Years 3, 4 and 7. Pupils generally stay until 13 when they move on to a wide range of single-sex, co-ed, day and boarding schools, with a number each year gaining scholarships.

The Nursery operates from its own site in a carefully restored building on Princes Road. The youngest children, in Hedgehog Class (rising 3s), are based on the top floor and Squirrels and Rabbits Class (rising 4s) on the ground floor. There is a very positive, caring atmosphere to the Nursery, and the ground floor has an additional Woodland Library also used for small group activities and specialist teaching. The Nursery has its own dedicated staff supplemented with specialists from the school PE, Music, Drama and Computing departments.

The Junior Department (JD) is housed in two Victorian buildings which have been sensitively redesigned and linked to provide an exciting and stimulating environment for the pupils. There is a two-form entry to Reception with about forty children in the year group. This number grows to about 48 in Year 3 with three forms. The class teachers deliver the vast majority of the curriculum, but pupils do have lessons with specialist teachers for Music, languages, PE and Games and Computing. All children take swimming lessons at a local pool from Years 1 - 3, and the Early Years and Key Stage 1 regular use The Nest, the outdoor learning area the Sports Ground. Pupils have Games lessons at the Grounds from Year 1 once a week, and twice a week from Year 3.

Pupils move to the Senior Department site for Year 4. This is the original school site and has been developed substantially since then. It is a deceptively large area which includes the school's theatre, gym, Astro turf pitch, two computer

rooms, two science laboratories, a new design technology room and music area. There are three forms in each year group. Forms are mixed-ability in Years 4 - 6 with some subjects setted, and streamed in Years 7 and 8. Pupils experience increasing exposure to subject specialist teachers, who will teach a range of year groups and sometimes more than one subject. The curriculum the pupils follow prepares them for Common Entrance at the end of Year 8.

Throughout their time at King's House, the pupils are encouraged to take part in art, drama, music and sporting activities. There are productions every year for all year groups, concerts and many more performance opportunities for music, as well as numerous games fixtures and sporting activities. There are also outings for all years to enrich the curriculum, and from Year 3 residential trips in the summer term.

King's House offers its pupils a broad and balanced curriculum and prepares them well for their transition on to their next school. We cherish each pupil as an individual and provide them with the skills and mental resilience to succeed in whatever path they choose to take. Small class sizes means that we can get to know each child and identify their unique strengths, interests and passions.

The Role

There is an exciting opportunity to join our Science Department as a Science Teacher. The overall role of the teacher at King's House School is to provide the pupils within the school with high quality teaching to promote their learning and well-being, being constantly mindful of their pastoral needs. The ability to teach a second subject in addition to Science would be advantageous.

How to apply: please complete the application form on our website

<https://kingshouseschool.org/application-form/>

Closing Date: 15th May 2026

Start Date: 1st September 2026

- Salary: King's House Salary Scale
- Reporting to: Deputy Head
- Contract type: Full time, permanent
- Free school lunches during term time

We welcome early applications and will consider holding interviews before the closing date for strong candidates.

Job Description

Responsibilities

To include but not limited to:

KS2-3 Teacher

Duties as KS2-3 Teacher:

- To be a Form Teacher
- An interest in Science - either a Science specialist who would be able to teach from Year 3 to Year 8, or a Primary Trained Teacher with an interest and willingness to teach Science up to Year 6 and a range of other subjects, depending on the strengths of the candidate.
- To be accountable for students' academic progress
- To inspire pupils with an enthusiasm and a love of learning
- To facilitate and encourage a learning experience which provides pupils with the opportunity to achieve their individual potential
- To organise events and excursions that support the curriculum
- To help develop the subject resources for the school
- Make use of ICT and other technologies to promote achievement
- Carry out assessment programmes (reports, grades) in accordance with school guidelines
- Order new equipment and books as necessary to meet the demands of the curriculum within the allocated budget
- Liaise with other schools particularly senior schools on changing requirements and new syllabuses
- Liaise with parents and other staff

Professional Duties and Expectations (subject specific)

- Deliver high-quality Science teaching with strong subject knowledge and a passion for the subject.
- Plan and deliver engaging lessons in biology, chemistry and physics, that cater to diverse learning styles and abilities.
- Demonstrate proficiency in the use of practical laboratory equipment.
- Manage groups of students effectively during practical investigations while ensuring high standards of health and safety.
- Engage in ongoing professional development to enhance subject expertise and teaching practice.
- A willingness to contribute to the school's extracurricular science programs, fostering curiosity beyond the classroom.
- Stay informed about developments in science education and integrate best practices into teaching.
- Create a positive and inclusive learning environment that supports and challenges all students.
- Work flexibly and collaboratively with other staff in the department and across sites

Duties as a Form Teacher (where appropriate)

- be the first point of contact for pupils and parents
- be responsible in the first instance for the general welfare of the pupils in that form
- be responsible for overseeing a pupil's academic and social progress in school that year
- co-ordinate the form's school reports and write a general report for these pupils
- register the form each morning
- disseminate any information or correspondence as required
- maintain an ordered, attractive Form Room in which the pupils can take pride as their base
- help the form to develop a collective spirit of loyalty, trust and support
- prepare a form assembly annually

Job Description

Responsibilities

To include but not limited to:

Professional Duties and Expectations (applicable to all teaching roles)

- support and promote the aims and ethos of the school
- treat all members of the community, colleagues (teaching and non- teaching) and pupils, with respect and consideration
- treat all pupils fairly, consistently and without prejudice
- set a good example to pupils in terms of dress
- arrive at school in good time (by 8am) and remain at school until the end of the working day, allowing enough time after this for further preparation
- carry out break and supervisory duties as designated
- promote the aims of the school when attending and participating in events such as assemblies, Visitor Mornings and sports, music and drama events
- take responsibility for own professional development and participate in training when provided
- reflect on own practice and contribute to the process of continuous improvement of the school e.g participation in mutual observation process (within department and across the school)
- contribute to the school's extra-curricular programme according to the needs of the school and own personal interests and expertise and/or participate similarly in the games programme
- contribute to the corporate life of the school through effective participation in all meetings
- read and adhere to all the school policies as outlined in the school Handbook (on line) and contribute to the development of new policies
- undertake all responsibilities as prescribed within school policies
- ensure that all deadlines are met as published
- undertake professional duties as may be reasonably assigned
- be proactive and take responsibility for matters relating to health and safety and all other legislative requirements
- take on opportunities for additional roles and responsibilities
- attend school outings and take part in residential trips as needed
- drive a minibus and be first aid trained if possible
- support and promote the school in the development and maintenance of its charitable aims

Person Specification

The ideal candidate will have some or all of the following:

- Appropriate qualifications (eg. Degree)
- Educated to degree level (Science or Primary Trained with an interest in Science is desirable)
- Relevant teaching qualification - PGCE or equivalent
- The role could be suitable for an ECT, if looking to become a Science Teacher
- Proven track record of successful learning and teaching in range of subjects
- Excellent classroom management skills
- Ability to work collaboratively and supportive
- Enthusiasm for teaching and desire to help young people to succeed
- Willingness to contribute to the extra-curricular life of the school
- An ability to teach other subjects would be an advantage
- Experience being a Head of Department advantageous

Safeguarding

King's House School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. Applicants must be willing to undergo the child protection screening appropriate to the post, including checks with the Disclosure and Barring Service and references from previous employers. Staff must be aware of the systems within the School which support safeguarding and must act in accordance with the school's Safeguarding & Child Protection policy and Code of Conduct. Staff will receive appropriate child protection training which is regularly updated.

Equal Opportunities Employer

King's House School is an equal opportunities employer that believes in equal opportunities for all, celebrates, and welcomes diversity. Employment decisions throughout the school are made without regard to any status protected by law.

If you require any reasonable adjustments at any stage of the application process, please feel free to contact our HR Manager via email: towersey-veal.g@kingshouseschool.org or detail the adjustments in your application.
